Sage 50 Accounts Mobile Sales

Perfect for people who need to manage their sales pipeline on the move, Sage 50 Accounts Mobile Sales helps you manage your customer relationships, and make the best use of your time to initiate and close sales.

- **Insight on demand**
Sage 50 Accounts apps work online and offline to give you business information wherever you are at any time.
- **Connect even without coverage**
Get up-to-the-minute customer and product information even when Sage 50 Accounts isn't running and you have no network coverage.
- **Protected and secure**
Ensure your data is safe and protected with encryption and secure sign in.
- **Products and prices at your fingertips**
Immediately see accurate product and price details without having to refer to reports, printed sheets or call back to the office.
- **Quick quotes, orders and invoices**
Instantly create accurate quotes, orders and invoices to secure sales and keep your pipeline moving.
- **Speed up sales**
With detailed customer information in your hands, you can initiate and close sales wherever you are, without having to refer back to your notes or call the office. Giving you and your customers confidence in your business and driving sales forward.
- **All in one contacts**
Find customers contact details, including notes, reminders and details of their purchase history and payment reliability. Get maps and directions without leaving the app. Everything's in one place.
- **No expertise necessary**
Quick and simple to set up and use. You don't even have to know how to use Sage 50 Accounts to get the business data you need. It's an app after all.
- **Get more done in less time**
Because you can help yourself to the information you need quickly and easily without relying on others to compile reports, you can work more efficiently. And that could mean more time for the important things, like weekends.
